1. On 14 December 1970, the undersigned visited WUSHARP at the latter's request and had the following discussion. WUSHARP asked whether we could use WUSLAB/1 as a means of contacting [redacted] officials for the purpose of establishing lines which could later be exploited by WUSHARP assets. I explained to WUSHARP that WUSLAB/1 had been instructed to adopt a passive role in relationship to his [redacted] contacts, and to respond only to contact initiated by the [redacted] WUSHARP stated that they understand our point of view thoroughly.

2. Production: WUSLAB/1 said that [redacted] had phoned him at his home at about 1100 on 8 April. [redacted] said that a friend had described to him an acquaintance who had had an eye problem similar to WUSLAB/1 (or words to that effect), and that Viera now realized the seriousness of the case and that WUSLAB/1 would not be able to travel. Viera said that the chances were now remote that he would be returning to [redacted] A friend of his named [redacted] would contact WUSLAB/1. He did not say when or where, but it would be when circumstances permit. WUSLAB/1 asked if [redacted] might be assigned to another foreign country. [redacted] did not deign to answer this question.

3. I asked WUSLAB/1 what he considered the possibilities of recruiting [redacted] were. He thought an important factor would be [redacted] liking of comfort and security. He would not be motivated by money, but he did like good living. He also probably did not like living in [redacted] and would not like to stay there for a very long period. W/1 thought that if [redacted] came out to a country such as [redacted] that contact with him could easily be developed. In the United States [redacted] was on his guard. Also in the United States [redacted] did not have high level contacts with the local government, whereas in other countries he would be expected to have such contacts. Some of those contacts might then be also in contact with U.S. officials and you could get a cross-check on [redacted] I told WUSLAB/1 that we would finish the PCQ form on [redacted] the next time we get together.

4. Regards to had brief limited time with AMWHIP/1 on this trip, the attached information is basically stale. Head of particular interest concern PEGIAN and the forthcoming outbreak in PEG activity, not only here but elsewhere.

4. Re the attached information on [redacted] (201-[redacted]), [redacted] told the writer that [redacted] contact within Random House (publishing firm) is one [redacted] (no further bio data available).

5. Re the attached information on [redacted] (201-[redacted]), [redacted] and his "female friends", [redacted] told the writer that one known romantic involvement is one [redacted]

[redacted]

6. Re war-name "ZORO" for the attached sheet, PEGIAN believes that AMWHIP/1 may be mistaken in the year "ZORO" was here as part of the [redacted] Delegation [redacted]

[redacted]

[redacted]

7. Should addressees be able to shed any light on the true identity of "LCZO" we would be most interested. Even if this is not possible, presumably we will know eventually who he is should his assignment here materialize.

8. The attached sheets should be extracted to the appropriate 201 files. To facilitate this the 201 numbers are listed below:

7. Recruitment Targets. Subjectively, Source considers that the most vulnerable of the [redacted] because he likes the ladies and the material things in life; [redacted] because of his strained relationship with [redacted] and [redacted] because he is basically a good sort and a realistic person. As stated, this is subjective reasoning on Source's part.

8. Replacement Personnel. With [redacted] and [redacted] leaving soon, there is talk [redacted] about assigning one [redacted] here as a replacement for one or the other. [redacted] is a negro in his early 30s and has served in several African posts [redacted] (including Tanzania and Mozambique). [redacted] has been protected by [redacted] but is disliked by most MINREX types who know him. Source described [redacted] as a sly and suspicious person who would not hesitate to report on anyone, including his friends and neighbors. [redacted] is believed to have been deeply involved in various "wars of liberation" in Africa. [redacted] was originally under consideration as a replacement for [redacted] but it was finally decided to leave [redacted] here as there were advantages to his being a U.S. citizen.

Source also mentioned that one "AGEO" (a war name; real name not known to Source) was under consideration for assignment here. Source said that [redacted] This "AGEO" was in charge of the purge within MINREX in 1967 which resulted in the ouster of some 300 persons regarded as homosexuals, counter-revolutionaries, or incompetents.
